

## Disclosures

### **Medical Disclaimer**

*Caregiving Support* is for informational purposes only. It is not intended as a diagnosis, prescription, treatment, or cure for any disease physical or mental, nor is it a replacement for any individual's regular medical and psychological care.

### **Limitation of Liability**

Although the information contained herein is believed to be current, accurate, and reliable, we assume no responsibility for the consequences resulting from the use of information or services referenced herein or subsequently received from other sources.

It is further understood that *Caregiving Support* does not control, warrant, or guarantee the accuracy, relevance, timeliness, or completeness of information contained herein or referenced by its connected links.

### **Endorsement Disclaimer**

*Caregiving Support* has no connection to or involvement with any of the resources contained herein. Nor does its promotion constitute an endorsement or recommendation for the same.

Although the publication contains a wide range of resources and information, it is not all-inclusive. Other resources may be available and should be sought out for your consideration.

### **Eligibility: *Variable***

As with all government programs, eligibility requirements are regulated by Federal and State guidelines. While some services for older adults and family caregivers are provided free of charge and do not require income verification; others may be fee-based or provided on a sliding-fee scale. (eligibility assessment may be required)

### **Non-Discrimination Notice**

*Caregiving Support* abides by applicable federal civil rights laws and does not discriminate based on race, color, national origin, age, disability, or sex.
